Need help getting the medicines your doctor prescribes?

*You may qualify for one of more than 475 programs, many of which offer
free or nearly free prescription medications through
the Partnership for Prescription Assistance.*

There's a **fast** and **convenient** way to see if you may qualify...

Workshop on Free and Low Cost Prescription Drug Access

Wednesday, November 11, 2009

6:00 – 7:30 p.m.

Dominican Hospital of Santa Cruz

Education Building, 2nd Floor

1555 Soquel Ave.

Santa Cruz

[Assemblymember Bill Monning](#), as well as representatives from his office and from Partnership for Prescription Assistance will be available to help people learn how to utilize this free service to get help paying for prescription medications. Be sure to bring the names of the medications to the meeting. In order to determine eligibility for assistance, we will need to know the names of the medications.

For more information please call Ali Spickler,
Assemblymember Bill Monning's Office at (831) 425-1503.
